

Secretary of State Announces Nursing License Suspension

Secretary of State Jeffrey Bullock has ordered the temporary suspension of the Delaware nursing license of Cody R. Krogh of Dover following complaints of the licensee engaging in activities that present a clear and immediate danger to the public health, safety or welfare.

In making his determination, Secretary Bullock considered the written complaints filed by the Board of Nursing for temporary suspension of the professional license of Krogh. Krogh was arrested and charged on or about November 24, 2014, with one misdemeanor count of theft and one misdemeanor count of possession of drug paraphernalia. On or about December 2, 2014, he was charge with a second misdemeanor count of theft, a second misdemeanor count of possession of drug paraphernalia and an additional misdemeanor count of possession of a controlled substance.

The Delaware Code Titles 23 and 24 were amended on April 15 to enable a temporary suspension pending a hearing to be issued upon the written order of the Secretary of State with the concurrence of the Board chair if the activity of the licensee presents a clear and immediate danger to the public health.

As a result of the actions taken today, the suspension of Krogh will remain in effect for a period of 60 days during which time disciplinary hearings will be held to determine the final disposition for the nurse.

The licensure status of Krogh has been updated on the [Division of Professional Regulation's online license verification service.](#)
